

# 2024 Avenue of the Flags

## Kiwanis® CLUB OF ADRIAN

The Adrian Kiwanis Club has a patriotic fundraising project called the **Avenue of the Flags**.  
**All Adrian area residents and businesses are invited to participate in 2024.**

The **Avenue of the Flags** is a community service project where the Adrian Kiwanis Club will place the United States flag in front of your home or business on 7 significant days annually. Those days are Memorial Day, Flag Day, Juneteenth, Independence Day, Labor Day, Patriot Day on 9-11, and Veteran's Day. The flags are delivered and set up for you on those days.

We believe the appearance of the Avenues of the Flags in our community creates a national awareness and pride. They are an impressive sight lining our city streets.

The flags are fixed onto poles. The flags go into a pre-set plastic sleeve in the ground between the curb and the sidewalk, normally about 2' inside the curb at a visible location. The receptacle sleeve is placed flush at ground level so not to impede walking or lawn care.

**The cost for 7 holidays in 2024 is \$45 for a single flag. The cost for 3 or more flags at one address location is \$35 per flag.** The flag service will be billed on an *annual* basis. Flag(s) must be paid for prior to installation.

This project is a volunteer-run, fundraising project for the Kiwanis Club of Adrian and 100% of the proceeds from this project go back into many community programs and improvements.
